To Whom It May Concern:

I am writing to let you know how pleased we have been with the management staff of Dalfen America Corp. Their management took over our building earlier this year at 2040 Redbud Blvd in McKinney, TX. Their personnel have always been responsive and attentive to the growing needs of our business and the space we occupy. We are currently expanding our occupancy into the space adjacent to us and Rhonda, Joanne and Bart have been with us step-by-step making sure this is as easy a transition as possibly. We look forward to our continued relationship for years to come as a tenant of Dalfen and would highly recommend them for anyone looking for a management company.

Sincerely,

Dru Riess
