To whom it may concern,

It is with pleasure that I recommend Dalfen America Corp, and Murray Dalfen as an excellent vehicle for investing in the industrial real estate market. I am a recent investor that has seen handsome returns from our first two investment decisions. We are now investing in our third real estate partnership. Mr. Dalfen and his staff have always acted professionally, treating their partners and clients with the utmost of respect.

Mr. Dalfen is a seasoned and experienced leader in his field, with an outstanding reputation for delivering above market returns for his partners.

Sincerely,
