Re: Recommendation Letter

To Whom this May Concern

Ritecom Group Inc is a tenant of Dalfen Industrial located at 5150 Peachtree Industrial Blvd, Suite 250 and since Dalfen has taken over the property it has been an amazing experience compared to our experience with previous owners. Dalfen wasted no time in improving the building and its landscape, everything from new SOD and sprinkler system to repaving the parking lot and painting. The Property Management Team that supports us is very friendly and waste no time in resolving our request. Ritecom has been in existence since the early 90's and as had more than 30 different Property Management Teams none compare to Dalfen and its employees. Great Job Dalfen, I wish there was more companies like you and you set a good example for all to follow.
